Das war der:

TAG DES GUTEN LEBENS BERLIN 2023

IN DEN BEZIRKEN LICHTENBERG, WEDDING,
TEMPELHOF & KREUZBERG

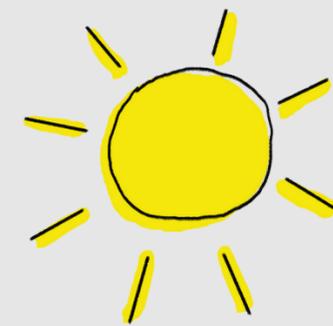

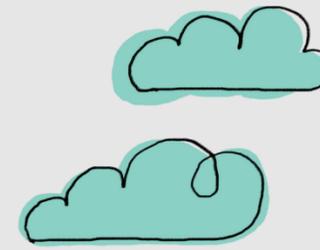

Die Idee:

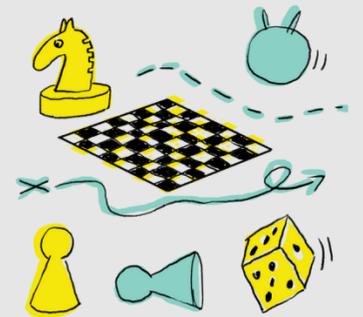

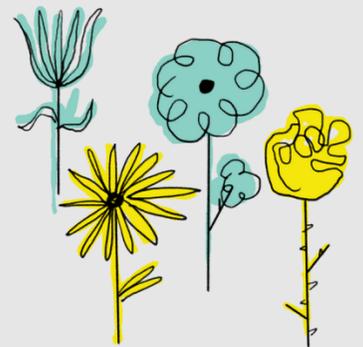

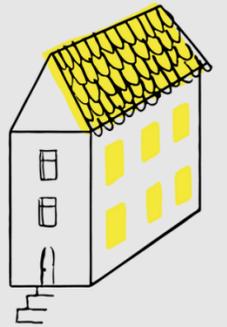

Der Tag des guten Lebens schafft Freiraum für Aktionen in der Nachbarschaft – autofrei, vielfältig, kreativ und kommerzfrei.

Zu den Grundsätzen gehört, dass an dem Tag nichts verkauft oder gekauft, sondern nur geschenkt und geteilt wird. Welche Aspekte zum „guten Leben“ gehören, entscheiden die Bürger*innen in den Nachbarschaften selbst. Sie können die neuen Freiräume dazu nutzen, ihre eigenen Ideen erlebbar und sichtbar zu machen. Im Austausch mit den Menschen aus dem eigenen Kiez wird Gemeinschaft erfahrbar und die Identifikation mit der Nachbarschaft gestärkt. So entstehen lebendige Quartiere mit engagierten Bewohner*innen, die ihre Nachbarschaft mitgestalten.

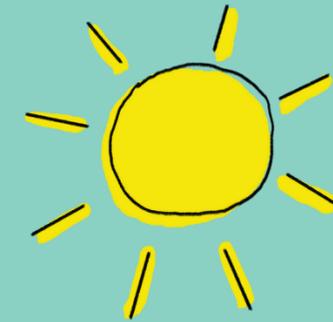

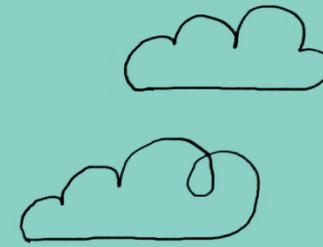

Durch die kreative Nutzung von Straßen und Gehwegen soll der Tag auch einen Beitrag zur kritischen Betrachtung des öffentlichen Raums als Gemeingut leisten. Dies alles dient dazu, die Stadt, den Kiez lebendiger, demokratischer, nachhaltiger und sozialer zu gestalten – auch über die Aktionen hinaus.
